

CALL FOR POSTER PRESENTERS

3rd Biennial Environmental Health Conference

MARCELLUS SHALE: UNEARTHING ENVIRONMENTAL HEALTH ISSUES FOR NURSES

Abstracts Due July 11, 2011

The Pennsylvania State Nurses Association (PSNA) has issued a call for poster abstracts for the 2011 Environmental Health Conference, October 7, 2011, in Wilkes-Barre, Pennsylvania at Wilkes University. Nurses, administrators, educators, dieticians, students and researchers are encouraged to electronically submit their poster abstract no later than July 11, 2011. Multidisciplinary/Interdisciplinary submissions are encouraged. Abstracts can be e-mailed to psmith@panurses.org.

Guidelines

Required Information

Abstracts will be considered using the following guidelines:

- Please provide complete information and follow the guidelines on spacing.
- Abstracts must be typed and must be submitted by e mail.
- Use 1 inch margins and no smaller than 12 point font.
- Those abstracts not meeting these criteria will not be considered.

Page One: Poster demographic information

1. Primary Poster presenter's name and credentials (i.e., Patti Smith, MSN, RNC-E)
 - a. Preferred mailing address
 - b. Preferred telephone number
 - c. Preferred e-mail address

2. Secondary Poster presenter's name and credentials (Limited to one Secondary presenter)
3. Attach a current CV or resume for each presenter of the abstract (limit 2). Include educational and professional qualifications related to the proposed topic.
4. Indicate your preference by circling and initialing each selection:
 - If selected, I am/am not (select one) willing to submit a brief article to PA Nurse followed by your signature.
 - If selected I agree/do not agree (select one) to provide handouts to support my presentation.

Page Two: Limit one page

1. Title of Abstract
2. Objectives
 - a. No more than two (2) objectives
 - b. Written in measurable terms (i.e., list, state, describe)
 - c. Must reflect specific content
3. Description – provide a single spaced description of your proposed presentation detailing the content of the presentation.

Submission

Interested speakers/poster presenters are encouraged to submit a poster abstract following the prescribed guidelines.

Date and Location

October 7, 2011
Wilkes University
84 West South Street
Wilkes Barre, PA 18766

Submission Deadline

Abstracts must be received via e-mail no later than Monday, July 11, 2011.

Review and Acceptance

Abstracts are selected by members of the Planning Committee of the Environmental Health Task Force. Notice of abstract review results will be mailed no later than August 19, 2011.

Display Information

The display board will be a cardboard tri-fold that you are required to bring. The tri-fold should be no larger than 36x48 inches. There will be one to two posters per six-foot table depending on the number of posters accepted. Please bring only your poster and any handouts that you may wish to distribute. Additional items other than the poster or handouts will not be displayed.
